FILE HEADING.

Adjustment of the capital cost of the supply of water to the cities of Bangalore and Mysore.

From

The Chief Engr. of Mysore.

No 17895 Dated 6.6.22 Received 14 6 22

Diary No 7435	Enclos —	Spare Copies	Serial No 26

BRIEF ABSTRACT OF LETTER

States that the Committee appointed for considering the question of apportionment of water supply charges in the city cities of Bangalore and Mysore, had made two sets of recommendations - one in regard to the maintenance charges and the other regarding the apportionment of the fixed capital cost, and forwards orders only in regard to the former and solicits early orders in regard to the latter on the lines of the recommendations of the Committee

E

NOTES AND ORDERS

It is respectfully submitted whether the expression "the entire charges" appearing in para 5 (1) and (2) of G.O. No. L. 6058-96 dtd 176-19-25 by the 19th April 1922 -

does not relate to both Capital Cost and the maintenance charges of the water supply to the Municipalities City is a point for orders

17.6.22

2 The intention of the Govt Order of 19th April 1922 referred to above appears to be to make the entire charges including (fresh capital cost and maintenance charges of the water supply of the two cities payable by the two Municipalities from 1st July 1924 onwards Any capital cost incurred before that date will, as heretofore, have to be incurred by Govt

3 If the above interpretation is accepted as correct, the Chief Engineer will be informed accordingly

(Rev Secy) 25/6/22

4 The competent Resolution is silent and the intention was apparently as above stated

5 Dewan

Any Capital that may incur the Corpn should be by Govt only if it is to make the reservoir Please keep up correspondence

Submitted to His Highness

14 In accordance with His Highness' order dated the 4th April 1922, Government Order No L 6058-65/M1 176-19-25 dated 19th April 1922 in the matter of the adjustment of the charges for the supply of water to the cities of Bangalore [redacted]ore was issued The Chief Engineer has now sought orders of Government in regard to the apportionment of the cost of capital works that may be undertaken in respect of the supply of water to the two cities in future, as the Government Order above referred to does not contain specific instructions ir this respect The matter was considered at a meeting of the Council held on the 20th July 1922 when the following opinion was recorded

> The capital cost of all future developments of the Water Supply Scheme in Bangalore City should be borne by the Municipality

15 2 The opinion of the Council may be graciously approved

16 3 In regard to Mysore City, the question will be taken up in connection with the general scheme for the improvement of Water Supply to the City which is separately coming up for consideration

Ml 176-19-26

SIR,

I have the honour to acknowledge receipt of G.O.No.L.6058-65/Ml.176-19-25 dated 19th April 1922, passing orders for the adjustment of the annual maintenance charges for the supply of water to the cities of Bangalore and Mysore-

2. The Committee appointed for the purpose have made two sets of recommendations one in regard to the maintenance charges and the other in regard to the apportionment? appointment of the future capital cost- vide para 2 of the G.O under reference Government have passed orders only in regard to the former but not the latter. Proposals for improvements and extensions come up frequently and in the absence of a definite ruling as to how the capital cost in these cases is to be financed, it is not possible to deal with such proposals I therefore request that Government may be moved to pass orders in this matter also on the lines of the recommendations of the Committee.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer of Mysore
